“Supreme” Quality Bulbs, Plants and Seeds Are Planted By Critical Growers From Coast To Coast

Column Stocks (See Page 10)
After years of painstaking effort, Mr. Ernst Eriksson, the well-known pot plant grower of Riverside, Ill., has developed a strain of Primula Malacoides that is truly "perfection" in this family. For sale as an individual pot plant or used in combination with tulips, hyacinths, kalanchoe and other plants for the filling of boxes, hampers, pans, etc. "Erikssoni" has proved itself practically invaluable. Due to the fact that Primula Malacoides "Improved Eriksson" being non-infectious, this desirable show plant is now freely admitted by hospitals, etc., and generally accepted by the public without question. A good selling point when offering "Improved Eriksson" to your trade.

We cannot over-emphasize the importance of using only greenhouse produced new crop seed, in ERIKSSON'S ORIGINAL PACKETS, with Eriksson's own cultural directions. We bring this to your attention because of the so-called "Eriksson Strain" that has found its way into the market.

**Primula Malacoides “Glory of Riverside”**

**ERIKSSON’S OUTSTANDING NEW VARIETIES**

Glory of Riverside (Improved). True rose-pink, a strong grower and without a doubt, the most valuable variety for all purposes. A real pot plant, especially for 6 or 7 inch pot production, here we suggest placing three plants to the pot.

Riverside Red Rose (New). A brilliant red rose of very even color. A valuable introduction.

Eriksson’s New Giant. Color resembles closely Glory of Riverside. Very robust habit, with flower size approximately 1 1/2 inches. It is a late bloomer, thereby assuring the florist-grower a longer Primula season.

Brilliance (Eriksson’s Deep Red). The flower opens lavender but changes to a brilliant red in one or two days in a sunny greenhouse. A very attractive and unusual combination, with top flowers showing lavender and the rest a brilliant red.

Eriksson’s White Giant (New). An exceptionally strong grower and well adapted to combinations in place of Hyacinth. Color a real pure white.

Lilac Beauty. The color is a pure soft lilac, absolutely fixed. This is another fine color for making up artistic combinations.

Peach Blossom. Color a real deep peach blossom pink. It has a more compact habit than "Appleblossom," and it is also an excellent keeper.

All of the above priced at: 800 seeds...

**ERIKSSON’S STANDARD VARIETIES**

Eriksson’s Pure White (Improved). A real improvement in a pure white Malacoides. Flowers profusely on numerous stems, making a good sized plant. Germination of seed also greatly improved.

New Baby (Improved). An outstanding glowing deep pink, individual in color. Large flowered, heavy producer on strong stems.

Baby Doll. The earliest bloomer. A deep pink with frilled flowers.

Baby Rose. Good medium pink color with free flowering habit. Very compact.

Appleblossom. A true appleblossom pink, very worth while.

Wonder Baby. Beautiful pink, rather tall but good producer.

**CULTURAL DIRECTIONS FOR PRIMULA MALACOIDES “Eriksson”**

Sow in May or June in light sandy soil. Shade with white-washed pane of glass. Give a little air and place in a cool part of greenhouse or frame, well shaded, keep moist, don't let soil get dry. Give a little more air and reduce shade gradually, keep some shade all Summer until transplanted and established.

Do not overwater. When large enough, pot in 2 1/4” or 2 1/2” pots, when established give them plenty of light and air.

Temperature 45 to 50 degrees with plenty of air after last shift. Will grow fine on shelves in 6” or 7” pots, with 3 plants in a pot.

Light, air and low temperature are the main points and do not let the plants get too dry between waterings.

Use a medium heavy potting soil with some sand and German Peat or Humus and well rotted manure.

These are Mr. Eriksson's personal cultural notes.

**ALL PRICES SUBJECT TO CHANGE WITHOUT NOTICE!**
Greetings!

In the following pages you will find a selected list of Flower Seeds, Bulbs, and Plants for planting during the following months.

The important varieties of Florists' Flower Seeds listed below are strongly recommended. These have been proved successful and should provide worthwhile profit for the grower.

**Snapdragons:** Haday's America, Bezdek's Improved White Wonder, Bezdek's Improved Yellow Wonder, Better Times, Christmas Cheer.

**Begonia:** Eriksson's "Scandinavia" (Pink or Red).

**Pansy:** ABC Deluxe Mixed.

**Primula:** Malacoides "Erikssonii.

**Primula:** Double "Portland Beauty."

**Stocks:** ABC "Superior" Column Strain.

Special attention is also called to Bulb and Plant Stock for delivery the coming Fall season. The unusual condition existing in connection with anticipated crops suggests that commitments should be made as soon as possible. Act now for your own interest.

5,000 seeds $2.50

BEGONIAS

FIBROUS ROOTED

For greenhouse pot plants and summer bedding. While Begonias are easily grown from cuttings our experience has proved that plants grown from seed are far superior. As a bedding plan there is nothing more satisfactory; also excellent as a pot plant and for a “filler” with other plants.

Masterpiece. A lovely clear rose-pink Begonia, and the most outstanding in this color class. The large-sized blooms are produced so abundantly that the foliage is really overshadowed. A large bed of “Masterpiece” observed on a large estate near Chicago this past season was a sight to behold. For pot plants as well as for bedding, you have something if you have this exceptional new Begonia. Tr. Pkt. $1.25 3 Tr. Pkts. $3.00

Enrikson’s New Scandinavia. A new, continuous flowering. Semperflorens Begonia with a wonderful branching habit. Sow seeds in January for Memorial Day; in May or later, for winter; October or November, for Mother’s Day purpose. Red. Tr. Pkt. $1.50 3 Tr. Pkts. $5.00

Snow (Heterosis). This new, snow-white, profusely flowering Hybrid is outstanding on account of its resistance to heat, drought, and excessive moisture. The plants bloom well under unfavorable weather and retain their fresh, pure white appearance. These pure white medium sized flowers show up well against the rosy stems and light green leaves. The plants grow about 10 inches high. Tr. Pkt. $1.00

Albert Martin. Bright carmine, extra large flowered. Tr. Pkt. 50c 1/32 oz. $1.00

Christmas Cheer. Extra large-flowered crimson-scarlet. Tr. Pkt. 50c 1/64 oz. $1.00

Christmas Pink. This variety is of same habit as Christmas Cheer and equally as good. Tr. Pkt. $1.00 1/64 oz. $1.50

Darling (New). According to our trial of it, this is one of the choicest Semperflorens Begonias that has come from Germany for a long time. Of compact growth, 8 to 10 inches, with large, light rose colored flowers about 2 inches across and of a deep scarlet color. A worthy addition to this New family. Tr. Pkt. $1.00 1/64 oz. $2.00

Elegant (New). White attractively edged crimson, clear green foliage that contrasts well with the flowers. Tr. Pkt. $1.00 1/64 oz. $2.00

Erfordia. Pink. Tr. Pkt. 50c 1/32 oz. $1.00

Fire Sea or Blaze of Fire. Extra dwarf compact habit. Large fiery red flowers with green foliage. Good. Tr. Pkt. $1.00 1/32 oz. $2.00

Glory of Erfurt. Large bright carmine. Tr. Pkt. 50c 1/32 oz. $2.00

Glow. Dark red flowers; foliage light bronze; free blooming and compact. Tr. Pkt. 75c $2.00

Gustav Kanacke. Glowing salmon-pink, resembles Mellior. Tr. Pkt. 50c 1/32 oz. $1.40

Lightning. Extra large flowers, measuring 2 to 3 inches across and of deep carmine-scarlet shade—an extra deep bright shade in Begonia. Tr. Pkt. $1.00 1/32 oz. $2.50

Radio. Extra large carmine-scarlet, green foliage. Excellent. Tr. Pkt. $1.00 1/32 oz. $2.25

Salmon Queen. Salmon red. Tr. Pkt. 50c $1.00

Vernon. Red. Tr. Pkt. 25c 1/4 oz. $1.00

BEGONIAS (Continued)

GRACILIS

This type produces very compact little plants that are literally covered with flowers.

Carmen. Bright pink flowers with richly contrasting bronze foliage. Tr. Pkt. $1.00 1/64 oz. $1.75

Enchantress. A new Begonia of great value to the florist. (Better than Prima Donna.) Of compact growing habit; pale green foliage; flowers large and of bright pink color. Unusually free flowering. Tr. Pkt. 50c 1/64 oz. $1.75

Indian Mound. Has the same deep bronze foliage of Carmen with bright deep scarlet flowers producing a highly attractive combination. Tr. Pkt. $1.00 1/64 oz. $2.00

Luminosa. Deep scarlet with reddish brown foliage. Tr. Pkt. $1.00 1/32 oz. $1.75

Luminosa Compacta. From the middle of July onwards the small dark brown foliage is hidden by the mass of medium sized bright scarlet blossoms. This new variety, coming true from seed, is very useful for beds, borders, edgings and also as pot plants. Tr. Pkt. $1.00 1/64 oz. $2.00

Primo Donna. Limpid rose shading to carmine. Very excellent variety. Tr. Pkt. $1.00 1/32 oz. $2.15 1/16 oz. $4.00

Tausendschoen (Gracilis). Lustrous rose. Tr. Pkt. $1.00 Sold to be the best bedding variety in existence.

White Pearl. Best white, light green foliage.

Pink Pearl. Dwarf, one of the best for pot culture.

Red Pearl. Dwarf, brilliant dark scarlet.

Because of war conditions, Pink, White and Red Pearl will not be obtainable for the time being.

DOUBLE FLOWERED

Coppery Gold (New). Double flowered. Many flowers are like tiny roses which are very effective when fully opened. Color: old gold merging into copper red or coppery salmon, usually tinged with carmine. The seedlings produce about 80% doubles. Blooms from July until frost. Tr. Pkt. $1.00

Mrs. Helen Harms (New). The flowers are about 1 1/2 inches in diameter and of a deep coppery yellow. A worthy addition to this new family. Tr. Pkt. $1.00

TUBEROUS ROOTED

Single. Large Flowering. Mixed. Tr. Pkt. 75c

Double. Large Flowering. Mixed. Tr. Pkt. $1.00
CALCEOLARIA

Our strain of these is produced by the foremost specialists of the world.

A. B. C. Triumph Mixed. A special florists' selection. Medium dwarf in growth, producing an exceptional assortment of colors and shades. Highly recommended. Tr. Pkt. $1.00

MULTIFLORA NANA

Indian Prince. This is a new color selection from the popular Multiflora Nana strain, retaining the fine dwarf, free-flowering habit. The color is a rich dark scarlet with an orange suffusion, a color that will contrast richly with the new Golden Tiger of the same class. Tr. Pkt. $1.00

Golden Tiger. Bright, golden yellow flowers with brownish red dots, masses of small substantial blooms spread in plenty above the foliage. A most desirable new kind. Tr. Pkt. $1.00

Hybrida Multiflora Nana. Mixture-dwarf compact growth. Medium size brightly colored flowers. A great favorite with the trade. Tr. Pkt. $1.00 1/64 oz. $4.25

HYBRIDA GRANDIFLORA

Tigrina. Large flowered "Tigered" or spotted mixture. Tr. Pkt. $1.00 1/64 oz. $2.50

Hybrida Grandiflora Mixed. A special mixture of varied colorings. Grows about 18 in. high. Large flowered, vigorous growth. Tr. Pkt. $1.00 1/64 oz. $2.00

Cloth of Gold. Medium large flowered, rich pure yellow. Tr. Pkt. $1.00 1/64 oz. $2.50

Albert Kent. Immense trusses of golden yellow flowers with maroon blotches. Tr. Pkt. $1.00 1/64 oz. $2.25

Albert Kent Hybrids. A much liked mixture of varied colors. Tr. Pkt. $1.00 1/64 oz. $2.00

Feltham Scarlet. Plants are finely dwarf and compact in habit, and the flowers of a rich dark scarlet. Tr. Pkt. $1.00

Kelway's Perfect Model. A fancy large flowered mixture. Tr. Pkt. $1.00 1/64 oz. $2.25

RUGOSA TYPE

Hybrida Flower Cloud. Extraordinary masses of brilliant yellow flowers, over a hundred "Lady Slippers" on the center stem with hundreds of blossoms on the side shoots; lasts for weeks in undiminished glory. Besides yellow, there are varying shades of brown and orange. Height 12 inches. Tr. Pkt. $1.00

Rugosa Hybrids Mixed. Comparatively small flowers. Provide pot-plants and desirable for cutting. Tr. Pkt. $1.00

CALENDULAS

A. B. C. IMPROVED SENSATION

Considered by many to be the best Calendula for cut-flower purposes. Flowers very large, deep orange with scarlet sheen, light center. Tr. Pkt. 25c 1/4 oz. .45c 1/2 oz. .85c 1 oz. $1.50 2 oz. $2.75 4 oz. $5.75

THE FOLLOWING IN ORIGINATOR'S PACKETS

Ball Masterpiece. Clear rich orange with an attractively contrasting dark brown center. This is our most popular standard cut-flower variety.

Ball Long Orange. The standard long-stemmed orange with light center. Preferred by many growers for its long stem.

Ball Lemon Queen. Clear medium deep yellow with a dark brown center that contrasts most effectively. Generally preferred yellow.

Ball Gold. Deep golden yellow, long-stemmed and large flower with light center. Stem, size, and color in this are outstanding.

Ball Supreme. Light shade of orange with a richly contrasting brown center, not extra long-stemmed but freer flowering than any of the above.

Ball Apricot. Rich apricot or straw color with a finely contrasting brown center. Same habit as Ball's Supreme, from which it is a selection. Inclined to occasionally produce orange petals with the apricot. Same should be grown for variety.

Note: Unit price on weight lots will apply in combination with two or more of above varieties. For instance, on 1/4 oz. each of four varieties, instead of 60c each, or $2.40 for the four, the ounce price of $2.00 will be accepted.

ALL of the above uniformly priced as follows:

Tr. Pkt. 40c 1/4 oz. .60c 1 oz. $2.00

2 oz. $3.50 4 oz. $6.50 Lb. $20.00

Ball Calendula Mixture. Tr. Pkt. 35c 1/4 oz. .50c Oz. $1.75 Lb. $18.00

AMERICANA

Grown 3 feet high and bears immense thistle-like blooms. Splendid for cutting.
Rosy Lavender. Tr. Pkt. $0.15 Oz. $0.50
Alba. White. Tr. Pkt. $0.15 Oz. $0.50

CHINESE FORGET-ME-NOT (See Cynoglossum Amabile)

CHrysanthemums

Annual Chrysanthemums are important florists’ plants, being useful in many ways in the flower shop and, at the same time, they are interesting in their cultural needs. A number of annual species or plants which are treated as annuals are mentioned in the literature, but two kinds, C. Carinafum, and C. Segetum, cover most of the material now in general commerce. These are all easily grown, coming into flower quickly, and the modern kinds are mostly pleasing colors, making good cutting material outdoors in summer or under glass in winter. Perhaps the most popular species at present is C. Segutum, especially the Star varieties, such as Evening Star (golden yellow), Eastern Star (light yellow with a dark disc and yellow ring), and Morning Star (immense flowers of an attractive primrose).

SEGETUM

Eastern Star. Light yellow.
Tr. Pkt. $0.15 Oz. $0.25

Morning Star. Primrose yellow.
Tr. Pkt. $0.15 Oz. $0.25

Evening Star. Sunflower yellow.
Tr. Pkt. $0.15 Oz. $0.25

White Star. Creamy, with yellow center.
Tr. Pkt. $0.15 Oz. $0.25

Single Mixed. Segetum.
Tr. Pkt. $0.15 Oz. $0.25

All of the above have dark centers excepting White Star. Zebra. The first definite two-colored variety in the Chrysanthemum Segetum class. The tips of the petals of these medium-sized blooms, 2 inches across, are mahogany red, encircling brilliant yellow. A gay combination of colors, particularly attractive. The color contrast is considerably increased by means of a dark disc. Chrysanthemum Segetum “Zebra” is particularly suitable for borders and edgings on account of its dwarf and spreading growth and it is valuable as a lasting flower for cutting purposes. Tr. Pkt. $0.50

CARINATUM

Tr. Pkt. Oz.

Burridgeanum. White with scarlet zone.
$0.15 $0.25

Northern Star. Giant white, yellow zone.
$0.15 $0.25

Double Mixed. Coronarium annual.
$0.15 $0.25

Golden Crest. Hardy annual, 3 to 4 feet. Golden Crest has the robust constitution of the Coronarium varieties, making vigorous and strong, well-branched plants 3 to 4 feet in height. The flowers are produced so freely that one plant will carry as many as 50 to 60 blooms. Tr. Pkt. $0.50

CINERARIA

Cineraria “Cremer’s Prize”

CREMER’S PRIZE

Produces somewhat smaller blooms than does “Eriksson’s” with plants of good height and is of such high sale value that growers, in our opinion, will not go amiss in planting liberally of both. The originator is constantly improving the strain.
Tr. Pkt. (1000 seeds). $1.50 1/32 oz. $4.00

MULTIFLORA MAXIMA (Eriksson’s Private Stock)

We proudly say this is an A. B. C. introduction, because in the last few years it has gained the confidence of some of the largest pot plant growers as one of the leading commercial types. Its range of colors is “tops,” well including every desirable shade in pinks, reds, blues, delicate pastel tints to solid bright shades and beautiful-eyed types. Mr. Eriksson has for the past ten years personally selected the finest plants for good branching habit, small leaves and medium dwarf height. The size of flower is also a good medium size. In our opinion it is one of the very finest cinerarias on the market today.
Tr. Pkt. (500 Seeds). $1.00

SITER’S RAINBOW STRAIN

Although it carries immense flower heads, its compact growth and small round leaves require little room. Medium large flowers, ranging from the bright-eyed types to the finer pastel shades. Delivery from July on. Originator’s packets—each $2.00

HYBRIDA GRANDIFLORA

A. B. C. PRIZE

The world’s best strain of the large flowering type.
Tr. Pkt. 1/32 oz. 1/16 oz.

Blue Shades $1.00 $3.50 $6.00

Crimson $1.00 3.50 6.00

Salmon Shades $1.00 3.50 6.00

White $1.00 3.50 6.00

Prize Mixture $1.00 3.50 6.00

BERLIN MARKET

Medium large flowered and dwarf growth.
Tr. Pkt. 1/64 oz.

Dark Blue $1.00 $1.50

Dark Crimson $1.00 $1.50

Weissensee Mixture. A white-eyed strain with good growth and flower head. Tr. Pkt. 1/64 oz. 1/32 oz. $1.50 $2.75

MISCELLANEOUS STRAINS

Multiflora Nana Mixed. Small flowered. A very dwarf strain of exceptional merit.
Tr. Pkt. $1.00 1/32 oz. $2.50

Stellata Hybrid. Desirable for cutting. Tr. Pkt. $5.00

MARTIMA (Dusty Miller)

Candidissima. For bedding, vases, baskets, etc.
Tr. Pkt. $0.40 Oz. $0.50

Diamond. Improved form of Dusty Miller.
Tr. Pkt. $0.15 Oz. $0.50

YOUR FLOWER SEEDS

The seeds you plant must be true to name, and from the climates best adapted for producing the different varieties. We secure our seeds from specialist growers throughout the world. Even in these trying times the A. B. C. leaves no stone unturned to provide you with the many special strains from foreign lands.
CLARKIA

ELEGANS DOUBLE

These desirable flowers are rapidly gaining popularity as cut flowers. Desirable for either indoor or outdoor culture.

Tr. Pkt. 35c 1/16 oz. $1.00
Lacinated and Fringed Mixed. Tr. Pkt. 50c

CYCLAMEN

A. B. C. GIANT FLOWERING STRAIN

For American and Canadian Culture

For over 24 years, A. B. C. has supplied true giant flowering Cyclamen seed to numerous critical growers from Maine to California, and repeat orders from year to year indicate, we believe, that our "special strain" is accepted as being the ultimate in quality. If in the market for Cyclamen seed in quantity please write for special quotation.

IMPORTANT NOTE!

Due to the war, prices and delivery of Cyclamen seed are extremely uncertain. We suggest placing your orders immediately, as "first come—first served" will be the order of the day.

Apple Scented. 100 seeds.................. 25c 1000 seeds.......... $1.80
Lady Washington. 100 seeds.............. $1.00

GLOXINIA

Hybrido Grandiflora. Choicest seed. 1/2 Tr. Pkt. 60c Tr. Pkt. $1.00

GREVILLEA (Silk Oak)

Ornamental foliage plant for vases, etc. Easily raised from seed.
Robusta. Seeds should be sown in early spring with plenty of bottom heat and in well drained, loose soil. Grown in a 60° house, 5-in. pot plants available by fall.
Tr. Pkt. 20c 1/2 oz. 40c Oz. $1.50

FLORISTS' EXCHANGE issue of March 22, 1911

"Among the commercial exhibits was a bed of 150 Cinerarias shown by Frank Cremer, Hanover, Pa. A veritable Persian carpet, this bed dazzled every one, as each plant was a bouquet in itself."
GYPSOPHILA (Baby’s Breath)
The following are always in demand to mix with other cut flowers.
Free blooming plants of easiest culture. Desirable for cutting to mix
with other flowers. Several plantings can be made during the season at intervals of ten days’ time, in order to have a succession
of bloom.

Larkspur Giant Imperial
PANSIES

A. B. C. "DE LUXE" MIXTURE
This mixture is the result of many years' selection from the world's finest strains. The seed is hand-picked from personally selected plants and will germinate 100%. We are constantly searching for varieties to improve this mixture, but we have been unable to improve on A. B. C. "De Luxe," which justifies us to call this unquestionably the world's finest strain of fancy Pansies. We highly recommend it for cut flowers as well as spring plant sales. Growers tell us that A. B. C. "De Luxe" Pansy plants easily command a premium over stock produced from other so-called fancy mixtures. This superb strain of Pansies is of largest size, rich in most varied colors, and contains several shades of beautiful reds. You will make no mistake in favoring your Pansy cultures to this outstanding mixture.

Tr. Pkt. $1.00 1/4 oz. $2.75 Oz. $10.00

A. B. C. "PRIVATE STOCK" FANCY
Exhibition Mixture. An outstanding all-purpose mixture that has given utmost satisfaction for both cut flowers and plant sales.

Tr. Pkt. 60c 1/2 oz. $1.25 1/4 oz. $2.00 Oz. $7.50

VARIOUS MIXTURES

**Engleman's Special (Originator's Strain).** Scottish show type; Immense flowers in bronze and reddish shades; compact flowering strains.

Tr. Pkt. $0.65 Jumbo Mixed $1.75

**Engleman's Giant Mixture.** Contains a better color range than "Maple Leaf" Giants; highly recommended.

Tr. Pkt. $0.75 1/4 oz. $3.50 1/2 oz. $6.50 Oz. $12.00

**Maple Leaf Giants.** One of the largest flowering strains of Giant Pansies. The seed is hand-picked from personally selected plants, and will germinate 100%. We are constantly searching for varieties to improve this mixture, but we have been unable to improve on A. B. C. "De Luxe," which justifies us to call this unquestionably the world's finest strain of fancy Pansies. We highly recommend it for cut flowers as well as spring plant sales. Growers tell us that A. B. NEW SNAPDRAGON “HODALY’S AMERICA”

J. Hodaly, Melrose Park, Ill., favors us with about a dozen spikes of his new Snapdragon, Hodaly’s America, and we have no hesitation in saying that this novelty stands among the leaders as a commercial variety. The color is brilliant rose pink with yellow lip. The flowers are large, evenly spaced all around the stem, and neither too widely spaced nor crowded.

The flowers were shipped by air express and reached the FE office at closing time, so we prevailed upon a neighborhood butcher to place the box in his cooler until the following morning. After an hour in water the flowers were in perfect condition. The variety is apparently not given to dropping, as some hours after being in water, not a single flower had fallen.

FIRST PRIZE WINNER AT CHICAGO FLOWER SHOW 1941

STEvia

Serrata. Fragrant white flowers. Tr. Pkt. | 30c | Oz. | $1.50 |
STOCKS
A. B. C. “GARDENIA”
New Double White Column Stock

This new Stock is as lovely as the exotic Gardenia from which it borrows its name—a great achievement of the plant breeder's efforts. With magnificent spikes, superbly formed and composed of florets 2 to 2½ in. in diameter, this remarkable new Giant Column Stock is indeed the last word in perfection for its class. Its shimmering, glistening white flowers are the purest snow white of any Stock variety yet introduced. Producing only one flower spike to a plant, the spike will however be of enormous size, 12 to 15 inches of florets and nearly 3 feet in length, and 4 or even 4½ inches in depth, with the individual florets closely and compactly placed on the stem. The robust habit and uniformity of type combined with a high percentage of doubles places “Gardenia” definitely in a class by itself with no peer among the fine flowers for the high-class florists' trade. Tr. Pkt. $1.25

NON-BRANCHING (Double Excelsior)
A. B. C. SUPERIOR COLUMN STRAIN

This new type produces one enormous spike 2 to 3 feet in height and is especially adapted for greenhouse culture, as the plants can be grown close together. We have discontinued listing the other separate stocks in the very near future. Those listed are, in the opinion of most florist growers, the only reliable stocks in the very near future.

BRANCHING TYPE

GIANTS OF CALIFORNIA

“The World’s Best Double”

This magnificent new group is so marked in improvement that we believe they will head the list in florists' forcing stocks in the very near future. Giants of California are very early flowering, with a high percentage of double mammoth flowers, and they have the branching habit of the Bismarcks. If planted close, they will attain the height of 2½ to 3 feet. We feel this strain justifies our highest recommendation.

Gold Gate. Clear golden yellow.
Monterey. Bright pink.
Pacific. Light blue.
Redwoods. Blood red.
Santa Barbara. Chamois.
Santa Maria. Pure white.
Tahoe. Lavender.
Yosemite. Rose.

New Column Stock “Gardenia”

STOCKS (Continued)

IMPROVED BISICRACKS

A good suggestion with the branching kind is to space them 6 x 6 inches. When up about 8 inches, top back about one-third. Stars (*) indicate preferred varieties.

Rose. Fine bright rose.
*Shasta. New white giant.
Flesh. Delicate shade of Maltese-White. Good clear white.

Prices—each: Tr. Pkt. 35c ¼ oz. $1.00 Oz. $3.00
Mixture. Formula mixture of above colors:
Tr. Pkt. 25c ¼ oz. $0.60 Oz. $2.25

SWEET PEAS

EARLY OR WINTER FLOWERING

True to Name, Thoroughly Rogued and Hand-Picked Seed

If you are in the market for quantity, please ask us for special prices. The following 21 varieties are, in our opinion, the “cream” of existing florists' kinds.

1 OUNCE OF SWEET PEASEED SELL SOW 30 FEET OF ROW

Ball Orange Improved. The only early flowering clear orange; fine color.

Ball Rose Queen. Clear rose, of exceptional merit.

Ball White. Fine large flowered white; white-seeded.

Ball Rose Improved. Deep bright rose, strong free flowering habit.

Blue Danube. Showy clear deep blue. Very fine.

Bridesmaid. Delightful silvery pink; extra for flower size and stem.

Bouquet. Fine deep salmon-rose on cream; quite large flowered.

Daphne. Winner of a Silver Medal at a recent International Flower Show in New York City; this Sweet Pea is a soft salmon-pink on a cream ground; the flowers are of great size, with beautifully expanded and waved standards. Many of the blooms are duplex and borne on long-stemmed stems. (Pictured on next page.)

Dollar. Pure white; nearly white.

Harmony. The best commercial lavender.

Hope. Exceptionally good white (black seeded) germinates easily.

Josie. Longest stemmed, clear rose-pink; most productive variety in any color; requires more headroom.

Laddie Improved. Extra long stiff stemmed rose.

Sequoia. Extra large flowered salmon-rose; fine for spring.

Mrs. Hoover. Best early blue; strong growing and fine for spring.

Princess Blue. Light lavender-blue, probably largest flowered and longest stemmed on our list.

Redwood. Extra large flowered deep crimson red.

Sir Walter. Light salmon-pink shade with good long stems; excellent.

Skippy. A new salmon-pink shade with good long stems.

Treasure Island. Sparkling golden orange. Large ruffled flower and distinctive color.

Triumph. Long-stemmed attractive lilac-mauve.

WINTER FLOWERING PEAS continued on next page
SWEET PEAS (Continued)

EARLY OR WINTER FLOWERING

Annie Laurie. Bright rose-pink.
Apollo. Salmon-cerise; fine for spring.
Aurora. Orange-scarlet striped.
Blue Bird. Prefer Mrs. Hoover.
Bright Light. Vivid orange-scarlet.
Bacchus (New). Extra deep maroon-purple; large flower.
Columbia. Rose and white bicolor.
Ethan. Extra large rose; medium stem.
Grenadier. Poppy scarlet.
Harlequin. Chocolate bicolor.
Heather Bell. Rosy lavender; free flowering.
Hiawatha. Deep rose.
Hortas Queen (New). Bright rose.
Indigo Blue. Dark shade of clear blue.
Jeanne Marmisch. Clear rose, long stems.
Michigan. Large lavender.
Mrs. Holger. Very good rose-pink.
Mrs. Kerr. Salmon.
Pride. Extra long-stemmed brilliant cerise.
Prosperity. Soft glowing rose-cream.
Red Bird. Crimson-red.
Snowstorm. White-seeded white.
Spring Song. Prefer Boon.
Sterling. Large duplex salmon-rose.
Sun Sun. Extra bright deep rose-pink.
Sunray. Light cerise, fine long stem.
Sunproof Orange. With slight scarlet-cerise shading.
Top Hat. Deep bright violet-blue; fine growth and strong color.
Tahoe (New). Fine dark blue for spring crop; some deeper than Hoover.
Vivian. Long-stemmed deep carmine rose.
White Harmony. Longest stemmed black-seeded white.
Zvolanek's Rose. Rose; Laddie preferred.

TEN BEST VARIETIES

Chinese Blue. Bright strong blue; clearly the superior blue.
Gigantic. Finest black-seeded white; extra large flowered and many doubled.
Hawthorn Lavender. Light lavender.
Hawthorn Pink. Rose-pink salmon.
Headlight. Fine sun-proof orange-scarlet; extra for stem and bright color.
Highlander. Decidedly improves Powercourt in flower size, stem, and growth; the best lavender.
Pinkie. Excellent long-stemmed; large rose-pink; some heavier growth than Bonnie Briar. The standard rose-pink for flowers.
Pinnacle. Deep rose than Pinkie; a fine large commercial type.
Maytime. A rich golden cerise with fine long-stemmed habit.
Welcome. Deep brilliant sun-proof scarlet; finest in this color.

SWEET PEAS (Continued)

LATE OR SUMMER FLOWERING

A New Race of Sweet Peas for Greenhouse Culture

Perform outstandingly well in the spring months, giving excellent flowers on long stems when the regular early-flowering types had given out. The spring-flowering type also gives a much heavier crop of flowers than the standard early-flowering type. Seeds of the spring-flowering type should not be sown before September or October in the greenhouse for flowering during March, April and early May.

Spring-Flowering Blue. A splendid clear marine blue.
Spring-Flowering Clear Rose-Pink.
Spring-Flowering Lavender. Beautiful clear lavender.

Black King. Dark red. (1/4 oz., 90c) 0.35 $3.00
Cardinal Scarlet. (1/4 oz., 90c) 0.35 1.00
Triumph Pink. Rose pink. (1/4 oz., 90c) 0.35 1.00
White. Snow white. (1/4 oz., 90c) 0.35 1.00
Golden Sun. Golden yellow. (1/4 oz., 90c) 0.35 1.00
Mixed. (1/4 oz., 85c) 0.25 1.75
Early Mixed. (1/4 oz., 85c) 0.25 1.75
ALWOOD’S HARDY COTTOGO STRAIN. A completely new breed of hardy garden Carnations. A very fine race that will give the greatest satisfaction in any garden. With their good range of colors, absolute hardiness, and stocky habit of growth they do not require staking. They commence to flower early and continue in bloom for a lengthy period. Tr. Pkt. 1/4 oz. 85c

CENTAUREA (Hardy Cornflower)

MONTANA. Grows 2 feet high, bearing large violet-blue flowers from July to September. Tr. Pkt. 20c Oz. 1.00

CERASTIUM (Snow in Summer)

TOMENTOSUM. A desirable low-growing plant with silvery foliage and white flowers in June. Suitable for the rockery or for carpeting dry, sunny spots or for covering graves. Tr. Pkt. 25c Oz. 1.40

CHEIRANTHUS (Siberian Wallflower)

These are biennials. Very effective in the rockery or front of border. Allioni. Brilliant orange flowers. Tr. Pkt. 10c Oz. 1.25

CHRYSANTHEMUMS (Hardy)

SHASTA DAISY

G. Marconi (Diener). Excellent variety for greenhouse and outdoor culture. Produces giant double flowers of about 7 inches diameter. Stems 2½ to 3 feet long. Tr. Pkt. 50c Oz. 1.00

ALASKA. The largest and best of the Shasta Daisies. (1/4 oz., 90c) 0.15 1.00

CLEMATIS (Perennial Calliclips)

PANICULATA. One of the most popular hardy climbers. Tr. Pkt. 10c Oz. 30c 1/4 lb. 1.40

COREOPSIS (Perennial Calliclips)

LANCOLOTA GRANDIFlORA. An extra fine strain of this useful golden yellow, hardy perennial. Tr. Pkt. 10c Oz. 30c 1/4 lb. 1.00
LANCOLOTA GRANDIFlORA MAYFIELD GIANT. The plants are taller and more vigorous than the type. The individual flowers are larger and stems are longer and stiffer. Tr. Pkt. 15c Oz. 60c
NEW GOLD GRANDIFlORA. Deep golden yellow flowers run 85% double and 2 to 2½ inches across. Tr. Pkt. 25c 1/4 oz. 35c Oz. 1.25

DOUBLE Sunburst. Brilliant golden yellow. The double flowers are large, 1½ to 2 inches across, deep golden yellow, and are excellent for cutting as well as for garden decoration. 80% double. Tr. Pkt. 15c Oz. 80c
A. B. C. HARDY PERENNIAL and BIENNIAL SEEDS

DAISY SHASTA (See Chrysanthemums)

DELPHINIUM
(Originator's Seed)

GIANT PACIFIC HYBRIDS (Vetlerle & Reinelt)
Black Knight Series. Darkest of all. Flowers 2 1/2 to 3 in., with heavy, velvety texture. Tr. Pkt. $1.25 1/2 oz. $3.00
Blue Jay. A true medium to dark blue with dark bee. Tr. Pkt. $1.25 1/4 oz. $7.00
Cameliard Series. Lavender self with white bee; perfectly formed flowers, round and flat. Spikes are uniformly in balance. Tr. Pkt. $1.25 1/4 oz. $3.00
Clear White. Regular strain of a good white. Ideal for cut flowers. Tr. Pkt. $1.25 1/4 oz. $3.00
Galahad Series (New). Finest white, 3-inch flowers; pyramidal spikes. Good branching habit, strong stems. Tr. Pkt. $1.25 1/2 oz. $7.50
Guinevere. Light pink-lavender with white bee. Large spikes. Excellent branching habits. Tr. Pkt. $1.25 1/2 oz. $7.50
King Arthur. Royal violet with white bee. 2 1/2-inch flowers on thin woody stems with graceful foliage. Tr. Pkt. $1.25 1/2 oz. $7.50
Lancelot Series (New). Pure lilac with white bee. Flowers measure 2 to 2 1/2 inches. Tr. Pkt. $1.25 1/4 oz. $2.50 1/2 oz. $4.00
Round Table Series. All the colors of the "Knights and their Ladies" Series, including many not yet introduced. Tr. Pkt. $1.25 1/2 oz. $7.50

Gibraltarica Hybrida. Lilac shading to white. 12 inches high. Tr. Pkt. 15c Oz. $0.85 Sempervirens. The popular hardy white variety. Tr. Pkt. 25c Oz. $1.60

INCARVILLEA (Hardy Gloxinia)
Delavayi. A showy plant for the hardy border, producing large Gloxinia-like rose-colored flowers on 15 to 18-inch high stems, during June and July. Should be well protected with leaves or litter during the winter. Tr. Pkt. 45c 1/4 oz. $1.75

LATHYRUS (Hardy Sweet Pea)
Showy, free-flowering, hardy perennial climbers for covering old stumps, fences, etc. Continually in bloom, fine for cutting.

Tr. Pkt. Oz. Potentilus "White Pearl." The finest white .0.20 .0.85 Pink Beauty. Rosy pink .20 .85 Red. Rosy red .20 .85 Mixed .15 .75

LEPTOSYNE
Stillmanii. Golden yellow, fine for cutting. Tr. Pkt. 15c Oz. 75c

LIATRIS (Blazing Star, Gay Feather)
Pycnostachya. Most showy and attractive with its long spikes of rosy purple flowers from July to September; 5 feet. Tr. Pkt. 25c 1/4 oz. 70c Oz. $2.40 Scarlet. Deep purple flowers on graceful stems 3 to 4 feet high. Tr. Pkt. 40c 1/4 oz. 85c

LILIUM
Longiflorum Praecox "White Queen." The cult of the Lilium family has experienced an immense impetus of recent years, and we are pleased to be able to supply this beautiful Lily, which, with its long snowly-white pendant flowers is remarkable for the celerity with which it can be raised from seed. The plants begin to bloom well within 12 months from the time of sowing. The flowers are of exquisite form and very freely produced. This new Lily has proved itself an excellent market plant. It received an Award of Merit from the Royal Horticultural Society in 1932. Tr. Pkt. $1.00

Philippinense Formosanum (Selected Pure White Strain). A truly remarkable Lily with umbels of large, white, long-trumpet-shape flowers, like an Easter Lily. Will bloom in 6 to 8 months from the time seeds are sown. Very fragrant. 2 to 3 feet. Tr. Pkt. 15c Oz. 35c $3.20 Regel. This wonderful Lily is easily grown from seed, flowering the second season. Tr. Pkt. 15c Oz. 60c 1/4 lb. $1.60 Tenuifolium (Coral Lily). Bears in profusion medium-sized flowers of perfect form and of dazzling coral red. Excellent for the rock garden or for forcing; 1 to 2 feet; May. Perfectly hardy. Tr. Pkt. 15c Oz. 60c

LINARIA
Cymbalaria (Kenilworth Ivy or Mother of Thousands). Lavender and purple. A charming, neat, hardy perennial trailing plant. Tr. Pkt. 25c Oz. $1.40

LINUM (Flax)
Perenne (Blue Flax). A desirable plant for the border or rockery. Light graceful foliage and large blue flowers all summer long. Grows 18 inches high. Tr. Pkt. 10c Oz. 30c Flavum. Yellow, June-Sept.; 2 feet. Tr. Pkt. 35c 1/4 oz. 50c

LOBELIA
Cardinalis (Cardinal Flower). Brilliant scarlet blooms. Tr. Pkt. 25c Oz. $3.00 Syphilitica. Attractive blue spikes. Tr. Pkt. 25c 1/4 oz. .85c
### A. B. C. HARDY PERENNIAL and BIENNIAL SEEDS

#### LUNARIA (Honesty, Moonwort)
A very showy biennial grown primarily for the glistening silvery membrane of its seed pods which are splendid for winter bouquets. May be grown as an annual if sown early in the year. Produces attractive blooms which are splendid for cutting.

A. B. C. HARDY PERENNIAL and BIENNIAL SEEDS

PLATYCODON (Japanese Bellflower)  
Grandiflorum. Large steel blue flowers.................. $0.25 $1.00  
Grandiflorum Album. Pure white variety.................. $0.25 $1.00

POLEMONIUM (Jacob’s Ladder)  
Correolum. Popular hardy perennial with bell-shaped bluish purple flowers nearly 1 inch across; 2 feet; May to July. Tr. Pkt................... $0.15 Oz. $0.80

POLYANTHUS (See Primula Veris)

POPPIES (Papaver Nudicaule)  
ICELAND POPPY  
Desirable for greenhouse forcing. Sow seed in January. Also succeed well outdoors.

El Monte. A new variety of California introduction. Large flowers of deep tangerine orange. Strong wiry stems, making an excellent cut flower. Tr. Pkt. .25c 1/4 oz. 50c Oz. $1.80

Sanford’s Giant Strain. A new giant strain with blooms measuring up to 5 inches in diameter, carried on stems 2 feet long. Contains many lovely colors. Tr. Pkt. .25c 1/4 oz. 85c Oz. $2.00

The Empress. Truly queen of the Iceland family. Distinct from all other strains, it is remarkable, first, for flower form—large, full, well formed flowers, with broad overlapping petals deeply fluted or wrinkled, giving an effect almost of doubleness, an illusion which is most delightful. Secondly, the color range is unique lovely shades of salmon rose and creamy pinks never before seen in Nudicaule Poppies, fascinating tones to intrigue the imagination. The flowers are carried on good strong stems, which make them fine for cutting.

Tr. Pkt. .25c Oz. $2.00

The Emperor. Without a doubt the best orange Iceland Poppy available, the same shade as our El Monte, deep tangerine orange, but the flowers are larger, and are borne on very long strong stems. We highly recommend The Emperor. Tr. Pkt. .25c 1/4 oz. $1.80

Red Cardinal. The closest approach to that much-sought-after color in an Iceland Poppy, crimson scarlet. This novelty is as large-flowered as other Nudicaule sorts, and its intensity of color makes it a welcome addition to Iceland Poppies. Tr. Pkt. .25c 1/4 oz. .80c

PAPAVER ORIENTALE (Oriental Poppy)  
Oriental. Scarlet .0.15 $0.80
Brilliant. Brilliant fiery red .25 2.50
Beauty of Livermore. Dark ox blood .25 2.75
Mahoney. Maroon crimson .35 3.50
Mrs. Perry. Salmon rose .35 $1.00

PRIMULAS (Hardy Primrose)  
Auricula. Choice mixed. Tr. Pkt. . .50c 1/16 oz. $1.00
Japonica (Japanese Primrose). Bright flowers borne in whorls on stems 6 to 8 inches long; mixed colors. Tr. Pkt. . .50c 1/16 oz. $1.00
Vulgare (English Primrose). Canary yellow, fragrant. Tr. Pkt. . .50c Oz. $4.00

VERIS (Polyanthus)  
Blackmore & Langdon’s Superb Strain. Awarded R.H.S. Silver Flora Medal. We consider this an excellent giant strain for those desiring the finest in the Polyanthus group. Tr. Pkt. $1.00

GIANT POLYANTHUS  
Crimson. Orange Flame, Primrose, Yellow, Munstead Strain. Tr. Pkt. .75c 1/4 oz. $3.00

PUERARIA (Japanese Kudzu Vine)  
Thunbergiana. The fastest growing hardy climbing plant. It will grow 8 to 10 feet the first year from seed.

Tr. Pkt. .10c Oz. .45c Lb. $3.85

PYRETHRUM HYBRIDUM (Persian Daisy)  
Roseum. Rose. Bright rose color . .0.35 $3.00
James Kelway. Rich deep scarlet. (Varies) .35 3.00
Grandiflorum. Mixed. Single, large flowering.50 4.00
Double Mixed. Extra select strain .50 4.75

ROSEMARY (Rosmarinus)  
Officinalis. An old favorite aromatic herb with delightfully fragrant, light blue flowers. Tr. Pkt. .20c Oz. $1.00

RUDBECKIA (Cone-Flower)  
Newmani. Dark orange-yellow flowers with deep purple cone borne on stiff, wiry stems. 3 feet high. Flowers from July to September. Tr. Pkt. . .25c Oz. $1.90

Purpurea (Giant Purple Cone-Flower). Flowers about 4 inches across, of a peculiar reddish purple with a remarkably large cone-shaped center of brown. Forms bushy plants 3 feet high and blooms from July to October. Tr. Pkt. . .25c Oz. $1.40

SALVIA (Sage)  
Azurea Grandiflora. A hardy perennial variety producing during August and September spikes of pretty sky-blue flowers in great profusion; 3 to 4 feet. Tr. Pkt. .25c Oz. $1.80

SAPONARIA (Soapwort)  
Ocymoides. A very useful, hardy plant for the rockery or the border, producing from May to August masses of attractive small bright rose flowers: 8 inches. Tr. Pkt. .15c Oz. .85c

SCABIOSA  
Caucasica (Blue Bonnet). Valuable for cutting, as the blooms last a long time in water. Color soft lavender-blue; 3 feet. Tr. Pkt. . .25c Oz. $2.20

Caucasica Isaac House Giant Hybrids. A great improvement over Caucasica. Colors from light to darkest blue, but delicate lilac and mauve shades predominate. Tr. Pkt. . .35c Oz. $2.80

Columbiana Pink. Beautiful soft pink flowers 2 to 2 1/2 inches across. Tr. Pkt. . .25c Oz. $1.00

Japanica. Bushy plants, 2 1/2 feet in height, and beautiful lavender-blue flowers. Tr. Pkt. . .15c Oz. .50c

SEDUM (Stonecrop)  
Acre. The well known yellow variety. Useful in the rock garden. Tr. Pkt. .45c

SILENE (Catchfly)  
Attractive, profusely blooming perennials. Tr. Pkt. Oz. .80 $0.50

Schaffa. Rose 8 inches .35 1.80
## A. B. C. HARDY PERENNIAL and BIENNIAL SEEDS

### TUNICA
- **Saxifraga.** A pretty tufted plant with light pink flowers produced all summer. Useful either for the rockery or the border.
  - Tr. Pkt. 25c Oz. $0.75

### VALERIANA (Valerian)
- **Mixed.** Showy, hardy border plants producing large corymbs of red or white flowers. Fine for bouquets. Mixed colors; 2 feet.
  - Tr. Pkt. 25c Oz. $0.75

### VERBENA BONARIENSIS (New)
- **Perennial species from Buenos Aires, the slender freely-branched stems attain a height of 4 to 5 ft., and bear numerous terminal sprays of Heliotrope flowers during July and August. Award of Merit by Royal Horticultural Society, England, 1937.
  - Tr. Pkt. 35c 1/4 oz. $1.25 Oz. $4.25

### VERONICA (Speedwell)
- **Maritima (Longifolia).** Long spikes of blue flowers from July to September.
  - Tr. Pkt. 25c Oz. $0.50
- **Repens.** A useful rock or carpeting plant with light blue flowers, May-June.
  - Tr. Pkt. 15c Oz. 30c
- **Spicata.** 1 1/2 feet high. Has long spikes of bright blue flowers in June and July.
  - Tr. Pkt. 35c Oz. $1.85

### VIOLA
- **CORNUTA.** Tr. Pkt. 1/4 oz. Oz.
  - **Admiration.** Very large circular purple flowers. 8 in.
    - Tr. Pkt. 35c Oz. $0.35 $1.00
  - **Apricot.** Beautiful rich apricot shades tinged towards center.
    - Tr. Pkt. 35c Oz. $0.35 $1.00
  - **Arkwright Ruby.** Bright ruby crimson, with central markings; velvety; fragrant. 1/4 oz.
    - Tr. Pkt. 15c Oz. $0.35 $1.00
  - **Black Prince.** 8 in.
    - Tr. Pkt. 35c Oz. $0.35 $1.00
  - **Blue Beauty.** Bright blue, early, free-flowering.
    - Tr. Pkt. 35c Oz. $0.35 $1.00
  - **Blue Butterfly.** Mid-blue shading to white. Resembles Pansy Beaconfield.
    - Tr. Pkt. 35c Oz. $1.00 $3.00
  - **Blue Perfection.** Light blue. Large flowered. 8 in.
    - Tr. Pkt. 35c Oz. $1.00 $3.00
  - **Chantreyland.** A perfect Viola, producing masses of purest blue flowers. 8 in.
    - Tr. Pkt. 35c Oz. $1.20 $4.00
  - **Golden Orange.** Shade or two darker than Viola Chantreyland, uniform color, free flowering.
    - Tr. Pkt. 35c Oz. $1.00 $3.00
  - **G. Wermige.** Rich violet-blue. 8 in.
    - Tr. Pkt. 35c Oz. $1.00 $3.00
  - **Iona.** Wine red.
    - Tr. Pkt. 35c Oz. $1.00 $3.00
  - **Improved Scotch.** Three and five blotched in splendid mixture.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **Jersey Gem.** Compact homo, 1/4 oz. violet-blue. 8 in.
    - Tr. Pkt. 35c Oz. $2.00 $6.00
  - **Lutea Splendens.** Chrome yellow. 8 in.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **Puck.** The 2 upper petals are clear purple-violet, the 3 lower, golden-yellow. 6 in.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **Primrose Beauty.** Variety, uniform color, 8 in.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **Primrose Perfection.** A good yellow. 8 in.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **Primrose Powder.** A perfect Viola, 8 in.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **Spring Messenger.** Bright rich purple.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **White Perfection.** White. Large flowered. 8 in.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **W. H. Woodgate.** Violet purple, large, round flowers on long stems. 9 in.
    - Tr. Pkt. 35c Oz. $1.50 $4.50
  - **Special Mixture.** Bright shades of self colors of red, yellow, blue and apricot.
    - Tr. Pkt. 35c Oz. $1.50 $4.50

### VIOLA—VARIous TYPES
- **Bosniaca.** Free blooming, small deep purple flowers. 4 in.
  - Tr. Pkt. 35c Oz. $0.35 $1.20
- **Floraniense.** Beautiful lavender, 1/4 oz. $1.50
  - Tr. Pkt. 35c Oz. $1.50 $4.50
- **Gracilis Lord Nelson.** Violet-purple. 6 in.
  - Tr. Pkt. 35c Oz. $1.00 $3.00
- **Eisenach Jewel.** Small-flowered, deep violet, 3 in.
  - Tr. Pkt. 35c Oz. $1.00 $3.00
- **Johnny Jump Up.** Little Pansy faces of purple, blue and yellow. 1/3 oz.
  - Tr. Pkt. 35c Oz. $1.00 $3.00
- **Nigrum (Bowles Black Pansy).** Interesting and attractive little pansy, pretty small black flowers.
  - Tr. Pkt. 35c Oz. $1.00 $3.00
- **Tufted Pansies.** Finest mixture of these long and blooming varieties. 9 in.
  - Tr. Pkt. 35c Oz. $1.00 $3.00

---

**STATICE (Sea Lavender)**

Splendid hardy perennials either for the border or rockery, producing panicles of minute flowers which can be dried and used for winter bouquets.

**Caspia.** The most beautiful of all perennial Sea Lavenders. Very vigorous in habit, with 3 foot stems carrying innumerable lilac flowers. A beautiful subject for table decoration.
- Tr. Pkt. 25c Oz. $0.20

**Dumosa.** Dense clusters of pure silver gray blooms; 30 inches.
- Tr. Pkt. 25c Oz. $0.20

**Lattia.** Purplish flowers.
- Tr. Pkt. 25c Oz. $0.20

---

**STOKESIA (Cornflower Aster)**

**Cyanese, Blue.** A beautiful native hardy perennial, growing about 2 feet high and bearing pretty lavender-blue flowers.
- Tr. Pkt. 25c Oz. $0.50

**SUNFLOWER (See Helianthus)**

**SWEET WILLIAM (See Dianthus Barbatus)**

**THALICTRUM (Meadow Rue)**

Aquilegiolum Mixed Colors. Elegant Columbine-like foliage and masses of flowers during June and July; 3 feet.
- Tr. Pkt. 35c Oz. $1.75

**Diplocarpos.** Its dainty, graceful sprays of flowers, elegantly arranged on stems 4 feet high, are invaluable for cutting. The flowers are a charming shade of violet-mauve, which is brightened by a bunch of lemon yellow stamens and anthers.
- Tr. Pkt. 25c Oz. $1.50

**THERMOPSIS**

**Caroliniana.** A showy tall growing hardy perennial, producing in June and July long spikes of Lupin-like yellow flowers. 3 feet. Excellent for cutting. Seeds germinate slowly.
- Tr. Pkt. 25c Oz. $2.25

**THYMUS**

**Serpulium (Wild Thyme).** A dwarf perennial with fragrant foliage, of creeping habit and unexcelled for rock gardens and between stepping stones. Lovely small purple blooms during the summer.
- Tr. Pkt. 25c 1/4 oz. $0.60

**TRITOMA**

**Red-Hot Poker.** Flame Flower. Torch Lily. Early Flowering Hybrids. These are easy to grow from seed and they will come into blossom quite quickly. The seed we offer has been saved from a splendid collection.
- Tr. Pkt. 25c Oz. $1.60

**Pfitzer’s Hybrid’s Scarlet.** Tr. Pkt. 25c Oz. $2.85

**TROLLIUS (Globe Flower)**

Trollius Ledebouri. Seed should be frozen over winter for proper germination.

**Golden Queen.** Large orange flowers, 3 to 4 feet. Very fine early flowering variety.
- Tr. Pkt. 50c 1/4 oz. $1.00

**Orange.** 24 inches.
- Tr. Pkt. 50c 1/4 oz. $1.35

ROSERIE. Dark pink.
MARIE GOUCHAULT. Brilliant light red and salmon-pink.
PRINCESS VAN ORANGE. Orange scarlet.
BLAZE. Scarlet.

SPECIAL NOTE! 25 of a variety of any of the above mentioned roses at 100 rate.

Spiraea, “Baby Rose,” “Triomphe d’Orleans,” the Leading Variety for Easter and Mother’s Day Sales.

Spiraea (Astilbe)
Delivery December, 1941

This old favorite pot plant has again come into much favor for Easter and Mother’s Day sales. Crimson, lilac and pink shades and white. (Strong flowering clumps.)

Per doz. $3.00 Per 100. $22.50

AMERICAN BULB COMPANY
Chicago and New York
A. B. C. “SUPREME” QUALITY BULBS

BEGONIAS
TUBEROUS ROOTED BEGONIAS
Large Flowering Type
With its bright colors, richness of foliage and easy culture it has become a favorite with the public in gardens and homes.

EMPLACEMENT. The begonia prefers partial shade and not too warm a place where they will give best results specially in wet summers. For the cultivation in greenhouses, shade is necessary.

CULTIVATION. Forcing can be started in February, March or April, depending on the time they should be in flower. The bulbs are placed in boxes, on light porous soil close together, and then covered with earth to a depth of one inch above the bulb. The earth should be kept just moist, too much water will rot the bulbs.

When the plants begin to develop they are placed in pots.

PLANTING OUTSIDE. In May-June (according to climate) they can be planted outside, preferable in loose soil, and shaded for some days after planting. The distance between the plants should be about 8 inches. A teaspoonful of ammonium phosphate around each plant added in July will stimulate growth and flowers.

BEGONIA—DOUBLE OR SINGLE
Large Flowering Type—American Grown
Coppery Dark Red Orange Pink
Salmon Scarlet Red White Yellow
Mixed

GLOXINIA CULTURE
Gloxinias are fit companions for the tuberous rooted Begonias and the fancy leaved Caladiums. Their richly colored flowers are most outstanding. Start the tubers in 4-inch pots in a mixture of leaf mold, sand and a little well-rotted cow manure with good bottom heat. Keep shaded and as the leaves appear, be careful with the watering. You cannot do it with the hose, so make use of the old-fashioned way, the watering can, and go over each plant carefully, examine every one and don't apply water unless it is needed, on the other hand, they suffer every bit as much if they don't get water when ready for it, for they want a moist soil. Keep the leaves dry. To get them moist on a hot day early in the morning doesn't hurt, but they soon go if you wet them every time you water the plants. They want most of all a little shade, but if you overdo it you may obtain foliage but no flowers.

CUT FLOWERS. Tuberous Begonias are excellent cut flowers lasting five to six days if placed in shallow bowls or plates in water. The double types are more lasting, hence preferable for table decorations or corsages if stems are wired.
ANEMONE
Now Very Popular for Cut Flowers

Monarch De Caen. A magnificent robust growing strain of Poppy Anemone with immense saucer-shaped flowers of the most brilliant and varied colors from pink to beautiful shades of blue and brilliant scarlet, borne on long, strong stems... $3.00 $24.00 $2.25 $17.50

CALADIUMS – FANCY LEAVED
“True Brazilian Type”

These exotic tropical foliage plants, with gorgeous coloring, provide a brilliant subject unexcelled for many uses. Taking little care, they are ideal for the home, hotel, store or office. Use them for pot plants, window boxes, plant arrangements and wall brackets... and don’t overlook recommending them for summer use outdoors, around pools and bog gardens or in those shady nooks where color is at such a premium.

A. B. C. WEDGEWOOD IRIS (Early Flowering)

We specialize in an early blooming type of Wedgewood Iris. Our bulbs are grown on an island in the northwest, which is favored by the warm waters of the Columbia River. This ideal climate matures the bulbs earlier than those produced inland and the result is an early flowering type. The above picture shows results obtained from a planting of 100,000 A. B. C. Wedgewood Iris. Even Wedgewood blue, large flowers.

8 to 9 centimeters—Per 100...$2.10; per 1,000...$16.00
9 to 10 centimeters—Per 100...$3.30; per 1,000...$28.00

UMBELLATUM ERECTUM

Scarlet. Blooms in June.

15.00

ELEGANS (Incomparable)

A dwarf variety with large deep mahogany crimson flowers, rarely more than a foot tall. Blooming period June to July. 14.00

(25 Bulbs at 100 Rate)

Lilium Speciosum Rubrum "Magnificum" planted on the dates shown at right will take six to eight weeks longer to flower than Lilium Giganteum. Lilium Rubrum "Magnificum" should be planted June 15th to July 1st to flower for Christmas.

The above, however, are all approximate flowering dates. If extremely warm weather exists meantime they may flower a month earlier. It largely depends on weather conditions.—A. B. C.

“GLORY OF THE SUN”

Leucocoryne Ixiodes Odorata

The dainty flower that supplies the hard-to-achieve touch of heavenly blue!

Leucocoryne sells. Once your customers see it they are delighted and want it again and again. It is fragrant, long-lasting, ideal for corsage work, head-dresses, table decorations, floral arrangements. Wiry 18-inch stems. Flowers with petal spread of two to three inches, in clusters.

Culture the same as for Freesias, namely a Carnation temperature seems to suit them nicely.

NARCISSUS
TEXAS-GROWN
PAPER WHITE
NARCISSUS
For Early Greenhouse
Forcing and Retail Sale

Successfully cultured in water, using
bowls or any container with a depth
of three inches or more.

CULTURAL INSTRUCTIONS
For Home Planting

1st Operation. Place bulbs in an upright posi¬
tion. Use beach-stones, shells, or any other
material in your possession to hold bulbs
upright.

2nd. Fill bowl with water up to two-thirds of
the bulb. Place bowl in a dark place in the
house until root action starts and foliage ap¬
pears. Then remove bowl to a light place and
allow bulbs to bloom.

3rd. When bulbs are in bloom try to maintain
as cool a temperature as possible, to prolong
the life of the flowers. Provide for successive
blooms by planting new bulbs every ten days
throughout the winter season.

4th. If you are located in a southern climate,
after bulbs have bloomed you can remove
them to your garden and plant in the soil in a
permanent place.

PRICES SUBJECT TO MARKET FLUCTUATIONS AND CHANGES WITHOUT NOTICE

THE “Pittsburgh” Plant Support Fabric is an electrically welded wire mesh designed outside the greenhouse. Economical, quickly installed, eliminates laborious hand-stringing. Well galvanized, lasts many years. No. 16 gauge wires, with No. 14 gauge selvage wires. Rolls of 100 lineal feet.

The 8" x 8" mesh is suitable for pompon chrysanthemums, delphiniums, larkspurs, freesias, stocks, carnations, etc. and for most field grown plants.

The 6" x 8" mesh is favored for gardenias, snapdragons, calendulas and candytufts.

The 8" x 4" mesh (illustrated) is the “double-stringing” style for carnations, snapdragons, etc. The 4" x 8", lengthwise spacing, is for vertical sweet pea supports. Also a special 8" x 6" all No. 14 ga. for cloth support on cloth houses. Write for full information.

TERMS OF BUSINESS

Cash Discounts: Cash with order only. 5% on Flower and Vegetable Seeds; 3% on Bulbs; 2% on Plants.
Otherwise, on bills for Flower and Vegetable Seeds, Bulbs, and Plants, a discount of 2% for payment 10 days from date of bill may be deducted. Exception to the above is taken when goods are supplied under special quotation, in which case particular terms will be noted.
Prices: This list cancels all previous orders.
Unknown correspondents desiring to open an account will please furnish three references to parties in the trade with whom they have had credit relations, and sufficient time to investigate same; otherwise cash must accompany order.
Goods destined C.O.D. must be accompanied by a partial remittance to guarantee acceptance. We cannot arrange to send perishable stock C.O.D.
All goods are offered subject to crop failures, shortages or other causes beyond our control and to being unsold on receipt of order, and we reserve the right to advance prices without notice.

PRICES SUBJECT TO CHANGE WITHOUT NOTICE
TULIP BULBS

We have provided for three million Tulip Bulbs from England, from the best growers, selecting the best varieties for forcing and for outdoor planting.

We ask you to mail us your requirements from this list, and as soon as we can establish the carrying charges and insurance, we shall confirm your order with prices for your acceptance. We realize the quantity of bulbs available is small and assure you our prices will be very reasonable, appreciating the confidence you are placing in us to secure the best bulbs at the most favorable prices.

Our dealer customers who issue catalogues and sell bulbs to the public can feel assured that we will do everything possible to get the bulbs into this country early.

Mail us your order without delay, and we shall confirm same as near to your requirements as we possibly can. Do not delay.

**TRUE LILIUM ERABU**

- Delivery September, October
- Our supplier in Japan ships us only a select strain of perfected Erabu that fills our high specifications for Supreme Quality stock. This strain of Erabu is of even size and is disease-free as a result of the careful selection of planting stock and because of its cultivation in new soil. We have been highly complimented on the incomparably high quality of our Lilium Erabu.

**LILIUM ERABU HAYAI**

- Delivery September
- Lilium Erabu Hayai is an exclusive strain developed for The American Bulb Company. Growers of the thousands of cases that were sold by us this past season have been well satisfied with Hayai and have recommended them highly for their extreme earliness of bloom. Our good growers have given us their cultural methods so that we could pass this information on for the benefit of our customers this season. We recommend that you try this outstanding new strain.
